

## Ukraine aid by the numbers

This is a snapshot of the help UMCOR has provided so far throughout Europe for Ukrainians displaced by the war:

- Seventeen partnerships with United Methodists throughout Eastern Europe, ecumenical partners and non-governmental organizations
- More than 120 shelters supported by Global Ministries/UMCOR provide food, water and housing to thousands seeking refuge
- Providing 1,000 households in the Odessa region with 75,000 meals and a two-month supply of food staples.
- More than \$1 million of needed medical supplies has been sent directly to hospitals in Kyiv. More shipments are scheduled.
- Individual and group psychological support offered to over 600 children and their parents with war trauma in shelters in Berehove, Ukraine.
- Food rations and cooking materials for 1,200 displaced households in Mukachevo, Donetsk Oblast, Zaporozhye City and Zaporozhzhizhska, Ukraine.
- More than \$120,000 of medical equipment and supplies have been procured locally and routed to hospitals in Kyiv, Bolgrad and Artsyz based on urgent needs.
- Working with partners on multimillion-dollar program grants worth that support mine clearance
- Developing funding for immediate relief and longer-term shelter construction in Western Ukraine.
